Ms. Judy Wayno
Albert R. Mann Library
Tower Road
Cornell University
Ithaca, NY 14853

Dear Judy:

In 2009, I donated to the Albert R. Mann Library 721 issues of *Poultry Press* (for the period 1943-2000, paper originals +14 rolls of silver archival microfilm). In addition, in 2013, I donated a large collection of periodicals (poultry journals, farm and agricultural publications) to Cornell (see attached file "Poultry Publications to Cornell University 2013").

I now have an additional collection of poultry periodicals, books, farm, and rural publications that I would also like to donate to the Albert R. Mann Library (see attached file "Poultry Periodicals and Publications Donated to Cornell University in 2019")

As I have done in the past, I would like to drive up to Ithaca and deliver, in person, these periodicals and books. When might be a good time for me to do this? There is a lot of flexibility in my schedule. Ideally, an early-afternoon drop off time would be good for me. In addition, in the past, you have directed me to a rear entrance/side entrance, where I can park for short period of time to drop off these materials. Any assistance you can provide in making this drop-off as easy as possible would be much appreciated.

Thanks.

Sincerely,

S. Robert Powell

Dear Mr. Powell,

Nice to hear from you! Hope all is well! Yes, I remember your poultry publications very well. Thank you for getting in touch about an additional donation.

I retired from Mann Library just about this time in 2016, but I have copied Betsy Elswit, my replacement who handles donations for Mann Library, on this reply. Also copied is Michael Cook, Head of Collection Development and Digital Collections. One of them will follow up with you directly.

Thanks so very much for thinking of Mann Library and for your continued donations!

My very best wishes,
Judy

Dear Mr. Powell,

I'm so happy to hear that you have more items you'd like to donate to Mann Library! I've been looking through the list you provided and I can already see that we don't own many of the titles. Unfortunately, both of our selectors are out of the office right now so I can't give you a final answer about what they would like to add to the library. If you'd like to deliver all the volumes and have us review them here, I'll be happy to arrange a time to meet you at the loading dock. Otherwise, is it alright if we wait until the selectors have returned and reviewed the list to see what they would like to add to Cornell's collection?

Thank you again and I hope to see you soon,
Betsy Elswit

Betsy:

Attached is a revised and updated version of the list of possible poultry donations that I sent to Judy Wayno on August 19. The attached list (1124 Poultry Publications from Powell to Be Donated to Cornell September 2019.docx) should, therefore, be the copy of the list that your selectors look at when they make their decisions.

When the selectors have made their decisions, I will drive up to Cornell and deliver the items to be donated to the Mann Library.

Sincerely,

S. Robert Powell
